FULL STACK WEB DEVELOPER

Hello! I'm a full stack developer that thrives in collaborative environments and love to take on challenges. I'm excited to apply my technical and creative skills to contribute to innovative software development projects.

EXPERIENCE

MARCH 2023 - JULY 2023

Full Stack Web Developer

Dev Academy Aotearoa | STUDENT

15-week (70 hrs/week) full-stack software development boot-camp, which provides a realistic team environment in an agile setting. It emphasized human skills, collaboration, empathy, and well-being.

- Seamlessly integrated front-end and back-end components on an event organizer app, employing RESTful APIs to facilitate communication and data exchange between the client and server.
- Front-lead in final group project, developing an e-commerce website, enhancing user experience using React to create an intuitive interface.
- Conducted thorough testing using Vite and Jest on server routes in a music-sharing app, to ensure reliability and functionality.

SEPTEMBER 2022 - DECEMBER 2022

Electronics Tester & Electronics Assembler

PowerShield Limited | FIXED-TERM

Worked at Powershield, a prominent electronics manufacturer, as an Electronic Tester and Electronics Assembler.

- Meticulously tested and assembled circuits with attention-to-detail, while maintaining high-quality standards for electronics.
- Demonstrated ability to ensure top-notch quality and collaborate effectively within a team.
- Successfully resolved complex technical issues with PCBs during the testing phase, ensuring quality products for clients.

MARCH 2022 - SEPTEMBER 2022

Café Worker / Barista

Hollywood Metro | PART-TIME

- Consistently provided friendly and courteous service for an outstanding customer experience.
- Demonstrated the ability to adhere to stringent food quality standards while skillfully preparing food and beverages.
- Actively collaborated with team members, fostering effective communication and creating a welcoming atmosphere for customers.
